DIOCESAN FAITH & LIFE CONVENTION

in Our Lady and St Patrick's College, Knock on Saturday, 28th September 2019 A Keynote Address by Michel Camdessus Michel is the former managing director of the IMF and an Advisor to the Pontifical Council for Justice and Peace.

A panel discussion will take place on a range of issues that are relevant to contemporary Church and Society at this time. 20 workshops to choose from. This is a flagship conference of which, as a diocese we can be very proud. The success of these days is due to the fact that so many people participate. Bishop Treanor is keen that we have a good representation from each of our parishes. Full details are available on the Faith and Life Convention website and the diocesan website and bookings can be made online.

Last year Tir na nOg organised Cardiac screening for over 100 **young people**. While the majority of results were positive, it was necessary to refer a small number for professional care. This is a great lifegiving service. There will be another session on Sat & Sun 26th & 27th October. Screening is free but we are suggesting a voluntary donation of £20 towards costs. Details on our website.
