LETTER FROM TIDY RANDALSTOWN

The concept of the Randalstown Viaduct Garden is that it will become a widely- used and worked-in space which will be the hub of the community - the 'go-to' area in town which is ours to relax in and to look after.

The garden designer (Johnny Knox) hopes to complete the structure of the garden by **Tuesday 26th April**. We then have a challenge on our hands as the garden needs to be planted and completed by **Saturday 30th April**.

To develop a genuine community ownership of the garden we are inviting a small number of garden-lovers who enjoy planting to take part and help us in this challenge.

The plan (which may require some flexibility) is to plant mornings and afternoons on:

Planting: Wednesday 27th, Thursday 28th and Friday 29th April
Finish/Fine Tuning: Saturday 30th April

The Big Event – “The One Show” BBC TV : Monday 2nd May

Johnny, and two experienced planters will each work with two volunteers in a dedicated area of the garden. If anyone would like to join us in this challenge (and enjoy planting!) would they consider setting aside any of the times mentioned above?

Please reply stating dates and whether morning, afternoon or both suits. Also include name, mobile number and email address so that we can contact you.

This is a momentous time for Randalstown and we feel very honoured to be part of RHS National Garden Day 2022 (2nd May). It is the event which launches the wonderful RHS Garden Week and we would love for you to be part of it too.
