SYNODAL DOCUMENT OF DOWN AND CONNOR

The invitation from Pope Francis to take part in the Diocesan Phase of the synod: *For a synodal Church*, has given our Diocese of Down and Connor an opportunity to be attentive to the work of the Holy Spirit, to experience Synodality, and to reflect on our mission as we emerge from the pandemic and make plans for the future. The journey has been one of learning, encounter, and authentic dialogue. Our encounters, both in person and in writing during the Diocesan Phase of the synod were marked by honest sharing. The report that has been developed following the synodal moments is available for everyone in the Diocese to read and consider. There is great diversity of thought and lived experience across our Diocese and it is our sincere hope that people will find reflected in the report **their own thoughts and insights** as well as those of their sisters and brothers in Christ. The document is available to read on the Diocesan Website www.downandconnor.org/synod

As a Church we recognise the need for synodality as it empowers us, the People of God, *to dream about the church we are called to be, to make hopes flourish, to stimulate trust, to bind up wounds, to weave new and deeper relationships, to learn from one another, to build bridges, to enlighten minds, warm hearts and restore strength to our hands for our common mission.* As a Diocese there are actions that we can undertake, guided by what we have heard from our people, in each one of whom the Holy Spirit dwells. This Diocesan report should not be viewed as a completed piece of work but part of a synodal process that is in and of itself a new beginning: *A journey of growing authentically towards the communion and mission that God calls the Church to live out in the third millennium.*
