## Happy Fathers' Day

A customary day for the celebration of **fatherhood** in Catholic Europe is known to date back to at least 1508. It was usually celebrated on the feast day of Saint Joseph, who is referred to as the fatherly *Nutritor Domini* ("Nourisher of the Lord) on the initiative of the **Franciscans**.

Promoted in USA, 1909, by a **Sonora Dodd**, who along with her five brothers was raised by her father alone, promoted the idea believed that Fathers' Day be celebrated worldwide.
