## Season of Creation 1 Sept - 4 Oct 2022

Theme: "Listen to the Voice of Creation".

**"Our so-called 'dominion' over the world's resources should be understood more properly in the sense of responsible stewardship. The environment is only on loan to each generation, which must then hand it on to the next".** (Laudato Si)

This week our focus is on the use of plastic products

### REMEMBER:

There is no such place as "away"; when we throw anything away, it must go **somewhere** !!

Plastics that end up in the ocean kill millions of marine creatures every year

### THING YOU CAN DO TO REDUCE PLASTIC POLLUTION:

Minimise the use of products which are made from, or packaged with, plastic

Wean yourself off disposable (single use) plastics e.g. coffee cups, grocery bags. Use cling film rarely.

Avoid - Reduce - Reuse - Recycle - Rebuy
