ST. BENEDICTS COLLEGE The ETI conducted a
general inspection of the College and gave a
very positive report. In public examinations the
school performs above average for schools of a
similar size. They were charmed by the
excellent behaviour of the students and
commented on the excellent relationships within
the school. There were no concerns requiring a
return visit. We congratulate our students, the
entire school staff, the SLT, the BoG and our
new principal Mrs McAteer. Well done we are
proud of you.
