Born in 21' - request from BBC NI to take part in a documentary called **Born in 21'** to any of our parishioners who might fit the bill? The film will mark the centenary of the creation of Northern Ireland in 2021 and tell the story of the state through the lives of ordinary people, born at the time of its foundation in 1921. This project will run well into 2019 and possibly beyond, so even if there is no one today, there may be someone else come to mind in a few weeks' time.
